

Fast Track Tech Inspection

Dear Track Junkies,

This note is to inform you about a new option for getting your cars Tech Inspected for New Jersey BMW CCA Track events.

You will be able to bring your tech form with your helmet, (and no car) to myself, or the acting Tech Lead to get your tech form approved, if you use this process.

This will save you time on the night before or the morning of an event.

If you take your car to one of the following shops (up to 30 days before an event), to complete your event inspection, please have them stamp the form with the shop's official stamp.

When you present the completed signed and stamped form, (with your helmet), you will be Fast Tracked through tech process without having to bring your car.

The following shops have signed up for this service and understand that if they perform the service and stamp your form, you will be allowed to bypass the physical inspection process.

Participating shops:

Name	Address	Contact	Phone Number	Notes
BimmerService by Tyspeed	340 Bismark Rd, Jackson Township, NJ 08527	Tom	732 547.9403	http://tyspeed.com/
BMW of Bridgewater	655 US-202, Bridgewater Township, NJ 08807	Jeff Defonseka	888 928.4089 x128	https://www.bmwofbridgewater.com/service/index.htm
Circle BMW	500 Route 36 East Eatontown, NJ 07724	Bob Datri	732 440.1246	https://www.circlebmw.com/service/center.htm

TK Autosports	1601 Malone St. Millville NJ 08332	TJ	609 744.8232	http://www.tkautosports.com/

I have not included pricing, but each shop suggests that this work will take between 1 and 1.5 hours to complete. This does not include a brake fluid flush service. Brake fluid flush is an additional service.

Some of the shops have also indicated if you are getting related work completed at the shop at the same time, the inspection fee may be severely reduced.

If you are not close to any of these shops, but you think your regular BMW shop would be a viable candidate for inclusion in the list, please send me an email with the shop contact information and I will reach out and add them to the list.

Safety Disclaimer: Please be aware if you are Fast Tracked, your instructor and the pit out crew will be checking to make sure that your car is in fact compliant. If there are any issues, you may be black flagged until any violations are corrected. Serious violations may invoke loss of Fast Track privileges.
