Car Control Clinic

On **August 12th** the New Jersey Chapter of the BMW Car Club will host a car control clinic at Brookdale Community College. As the name implies, a car control clinic is an event in which participants are afforded an opportunity to learn how to control their car in some unusual circumstances.

This event will be held in a large open paved area (parking lot) and will give each participant a chance to explore the limits of the vehicle and operator in a safe environment. There will be a series of real life emergency scenarios which the driver must safely negotiate in order to "survive". However, in this instance, the only tragedies which may occur are dead traffic cones.

One car at a time ensures the safety of the event and there will be some excellent instructors on hand to offer both classroom and in car instruction. For those people who might feel intimidated, we will offer instructors of both genders to prove that proper driving technique is not a dominant gene of either sex.

No special vehicle or equipment is required, so "run what you bring" is the order of the day. Be prepared to arrive by 8:30AM, start at 9:00 AM and stay until you have had enough.

Be sure to bring a cooler with plenty of water and a light lunch. (Treats for the instructors are encouraged.) We plan to run rain or shine.

The event is limited to the first 40 sign-ups. Two people may share a car, but it is best if you bring your daily driver so you will be at ease with the controls of the vehicle. Contact Joe Murray @ 973-989-5500 during business hours with any questions or to reserve your spot. The fee will be \$20 per participant (not per car).

Directions to Brookdale CC Site

Take GSP to exit 109, onto Newman Springs Road West. Go about 2 miles, make a left onto Phalanx Road. Go about 1 mile, turn right into the Brookdale Community College campus. Take the 1st left, then a right into the autocross / car control site (Lot Number 6).

Note: Street muffling is required. The Brookdale campus is right next to Thompson Park.

August and September Full of Activities

Your chapter officers have been busy preparing a fun-packed August and September for you!

We have two exciting autocrosses at Fort Monmouth on **August 26** and **September 16**. Each is a fun, low-key way to try out your car near its limits, without much risk. Race your car around the cone-lined course for a time. Cars are grouped with others of similar performance, so your '84 318 doesn't have to go head-to-head with your neighbor's '01 E46 M3.

A car control clinic on **August 12** at Brookdale CC is another way to learn about your car's limits. Read the article to the left!

August 27 and 28 will see us at a driver school and club race at Summit Point. It's only around 4 hours from Central NJ, so come on down and watch the race, even if you aren't enrolled in the school.

Finally, we have exciting membership meetings planned for **August 15** and **September 19**. There is always tons of friendship, fun and free German Food for all at the DCC! We hope to see you there!

Directions to Fort Monmouth Autocross Site

From the Garden State Parkway, take exit 105. Proceed to the first light. Take jughandle left onto Hope Road. Take Hope Road about 1 mile, make a right onto Tinton Avenue. Go to traffic light at Route 35. Cross intersection into Fort Monmouth. Proceed about 1/2 mile. Site is left next to theater. See map on website.

As on all military bases, please be advised that posted speed limits are strictly enforced with 0 tolerance. Noise limits will be strictly enforced. Street muffling will be required, and excess backfiring will be frowned upon.

Autocross Schedule

August 12	Brookdale CC (Car Control Clinic Only)
August 26	Fort Monmouth
September 16	Fort Monmouth

Upcoming Monthly Meetings & Other Events

Sundays, August 12 at Fort Monmouth

Car Control Clinic!

Our experienced instructors will teach you how to handle your car under emergency circumstances. Learn threshold braking and skid control. Perfect for you or other drivers in your household. Read the article on Page 1 for more information. Joe Murray has all the info you need! Show up at 8:30am, and the fun begins at 9! \$20 per participant.

Wednesday, August 15 at The Deutscher Club of Clark

Secret Monthly Meeting!

The topic for the August monthly membership meeting is a secret, but it will no doubt be fun. Just ask VP Al Drugos! He's preparing a fun event for us all. Meeting starts at 8pm, and as always, Free German Food will be provided. New members are always especially welcomed. You'll have a good time, we promise!

Sundays, August 26 at Fort Monmouth

Autocross!

See if you can really drive that car the way it is supposed to be driven, in a safe and fun atmosphere. Drive your car through our cones for the fastest time in a big parking lot. Everyone is friendly, and it's a great way to learn to drive your car. Professional World Challenge Racer Don Salama started this way, and you can too! More information on the autocross page in this newsletter or on the website.

Join Our E-Group

The New Jersey Chapter announces an exciting new way for members to share and receive information about chapter activities.

A **Yahoo Group** named "njbmwcca" has been created. The Yahoo Groups webpage can be found at: <http://groups.yahoo.com>.

As of press time we had approximately 50 members, with one or two joining every day. Hopefully this can become a major conduit of chapter information for our membership. Early announcements of schedule changes, cancellations, etc will be easy to transmit!

You must create a Yahoo account for yourself, but this is free and mostly painless. The webpage above will take you through the process. Once you have created a Yahoo account, request membership in the njbmwcca group. Membership must be approved by the moderator, and will only be open to NJ Chapter members. Chapter membership will be confirmed against the national membership roles.

Please contact David McIntyre with any questions.
