## **3-Day Summit Point School**

There are still spaces available in our 3-day Driving School at Summit Point Raceway in nearby West Virginia. This event uses three different tracks: Jefferson Circuit clockwise, Jefferson Circuit counter-clockwise, and the big Summit Point Raceway track on Monday. If you missed our March Lime school due to the weather, here is your big chance. Summit Point is less than 4 hours from Central, NJ, about the same distance as Lime Rock! Application available on the web at:
